

# Amputation Specialty Interest Group

Research Development Meeting:  
Through-Knee Amputation

**Are you interested in  
Amputation Surgery  
research?**

The Vascular Society Amputation Specialty Interest Group has recently completed the **James Lind Alliance Priority Setting** exercise, which identified the **top research priorities** in the field of amputation surgery in the UK.

Our next step is to support and grow these research priorities into research projects. We are hosting a **virtual research event** to discuss support of a research project in through- knee amputation.

**19th January 2022, 14:00 - 16:00**

**Please come along...**

- If you are, or want to be, involved in amputation research
- If you have an interest in through-knee amputation

**The Research Development Meeting is open to all healthcare professionals, students, and trainees. To register, please send your contact details and current job and role to [becky.carthy@bristol.ac.uk](mailto:becky.carthy@bristol.ac.uk).**
